Dear Country Oaks Family,

- ☞ Did you know that Heritage Oak School is a ministry of Country Oaks Baptist Church? We would like to give you the opportunity to get involved in this ministry, to make an investment in a child that will last a lifetime.
- ☞ During these tough economic times, Heritage Oak School has cut the price of its tuition to make a Christian education more affordable to financially strapped families. However, all costs to run the school have remained the same or increased slightly. Fundraising, grants, and sponsors have become more important than ever.

*The school is kept affordable by donations from people like you!
We would like every Christian family to be able to have the choice to attend.*

Will you consider being a sponsor?

- ☞ Children are a mission field right in our own backyard. In our nation the number of Christians continues to decline. Studies show that 70-90% of kids brought up in a family who attends evangelical church will *leave* the church after they are eighteen. This number dramatically falls for children who attend a Christian school or are homeschooled in an environment with a biblical worldview. Heritage Oak creates just such an environment. In our 15 years of existence, a survey of our graduates shows that 85% remain faithful in church attendance.
- ☞ The school has some specific needs including increasing teacher's pay (which has not been raised in years) and purchasing additional computers for the classrooms. If possible, we would like to form a track and field team this spring and will need to purchase uniforms.
- ☞ A dollar a day (\$31 per month) would be a wonderful help and any amount you can afford would be a blessing.

Thank you for your support & God Bless!
